

DECLARATION OF SUPPORT

All applicants for membership of GAMH will be asked to sign this declaration.

We/I wish to become a member of Global Action on Men's Health (GAMH) and state our/my support for GAMH's mission to create a world where all men and boys have the opportunity to achieve the best possible health and wellbeing wherever they live and whatever their backgrounds.

We/I will promote GAMH wherever possible and represent it in a positive way.

We/I support GAMH's position as an organisation that seeks to promote human rights and equality with respect to age, disability, sex, race, religion and belief, sexual orientation and gender assignment.

We/I fully endorse GAMH's support for improving women's health and its opposition to any activity on men's health that might adversely affect women's health, for example by reallocating funding.

We/I support GAMH's strengths-based view of men and boys - this acknowledges men's unique contribution to all forms of social and human endeavour – as well as GAMH's belief that men should be held accountable for unacceptable behaviours, including gender-based violence.

We/I agree to work in respectful collaboration with other GAMH members.

We/I also consent to be added to GAMH's mailing list on the understanding that our/my contact details will be kept secure and private and not shared with any third parties and that we/I can ask for our/my contact details to be removed at any time.
