

DECLARATION OF SUPPORT

(Corporate partnership affiliation)

All applicants for corporate partnership affiliation will be asked to sign this declaration.

[name of organisation] wishes to join Global Action on Men's Health's corporate partnership affiliation scheme.

We state our support for GAMH's mission to create a world where all men and boys have the opportunity to achieve the best possible health and wellbeing wherever they live and whatever their backgrounds.

We will promote GAMH wherever possible and represent it in a positive way.

We support GAMH's position as an organisation that seeks to promote human rights and equality with respect to age, disability, sex, race, religion and belief, sexual orientation and gender assignment.

We fully endorse GAMH's support for improving women's health and its opposition to any activity on men's health that might adversely affect women's health, for example by reallocating funding.

We support GAMH's strengths-based view of men and boys - this acknowledges men's unique contribution to all forms of social and human endeavour – as well as GAMH's belief that men should be held accountable for unacceptable behaviours, including gender-based violence.

We agree to work in respectful collaboration with GAMH's members.

We also consent to be added to GAMH's mailing list on the understanding that our contact details will be kept secure and private and not shared with any third parties and that we can ask for our contact details to be removed at any time.
