

GLOBAL ACTION ON MEN'S HEALTH

DECLARATION OF SUPPORT

All applicants for membership of GAMH are asked to confirm their agreement with this declaration.

We/I wish to become a member of Global Action on Men's Health (GAMH) and state our/my support for GAMH's mission to create a world where all men and boys have the opportunity to achieve the best possible health and wellbeing wherever they live and whatever their backgrounds.

We/I will promote GAMH wherever possible and represent it in a positive way. We/I will endeavour to play an active role in GAMH by attending meetings and events, participating in projects, contributing content to publications, etc.

We/I support GAMH's position and values as an organisation that seeks to act transparently with integrity and objectivity, and to promote human rights and equality with respect to age, disability, sex, gender, ethnicity, race, religion and sexual orientation.

We/I fully endorse GAMH's support for improving women's health and its opposition to any activity on men's health that might adversely affect women's health, for example by reallocating funding.

We/I support GAMH's strengths-based view of men and boys - which acknowledges men's unique contribution to all forms of social and human endeavour – as well as GAMH's belief that men should be held accountable for unacceptable behaviours, such as gender-based violence.

We/I agree to work in respectful collaboration with GAMH's trustees, staff and associates as well as other GAMH members.

We/I understand that our membership of GAMH can be revoked if, after due process, we/I are found to have breached the terms of this Declaration and/or by our actions put GAMH's reputation at risk or potential risk.

We/I consent to be added to GAMH's mailing list on the understanding that our/my contact details will be kept secure and private and not shared with any third parties and that we/I can ask for our/my contact details to be removed at any time.
